Hoppers run frequently and operate along the central portion of their parent route. The striped area on this map designates the path of the ORANGEhopper. The times highlighted on the timetable are the ORANGEhopper trips. To distinguish the Orange route from its shortened ORANGEhopper route, look for the "hopper" appendage to the destination sign of an operating bus.

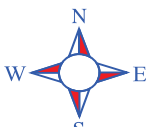

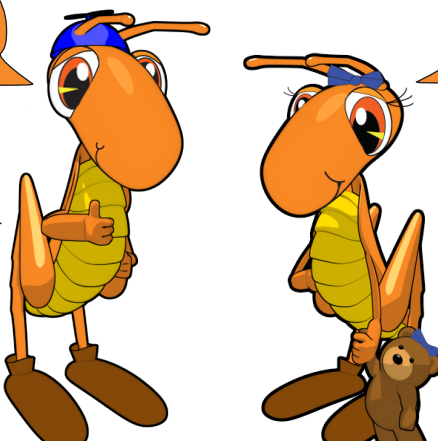

6 Orange Weekday

You can take the ORANGEhopper to both Provena and Carle medical facilities...

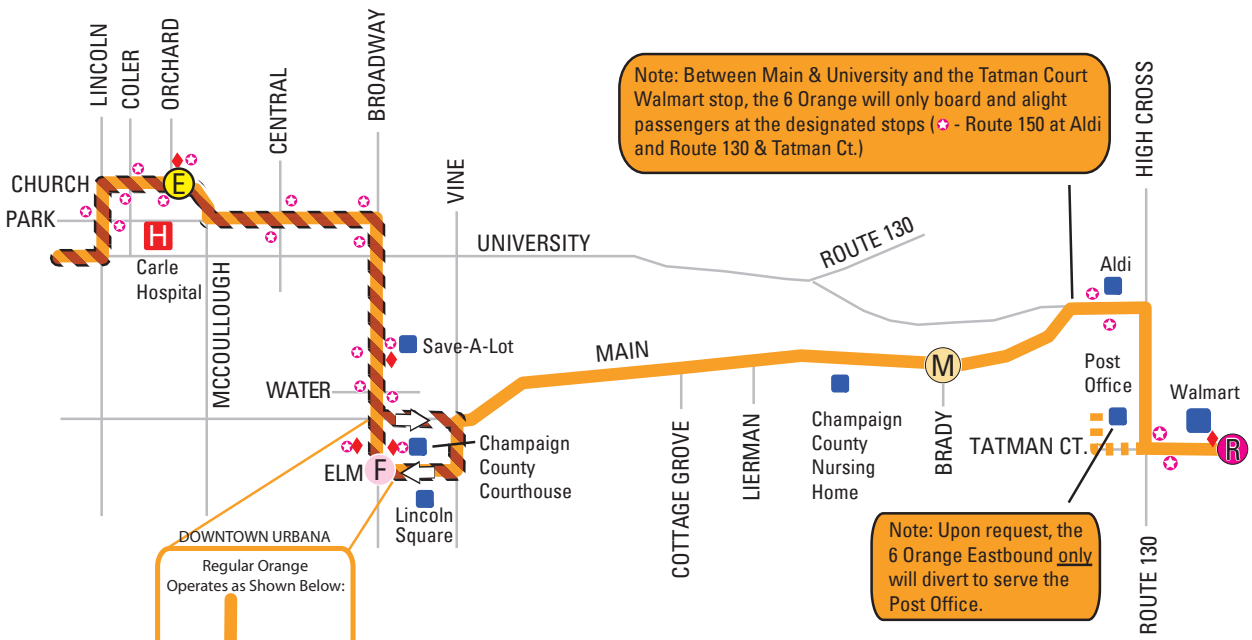

15-minute frequency...

...Or to both downtowns!

...All year round!
